## ABOUT US:

Gypsy was a beautiful Pasa Fino who found us and changed our lives, forever. Although her time with us was short, we learned that love between horses and humans is a special bond that creates a safe space for healing, for anyone and everyone.

## WHY COACH WITH ANIMALS?

Animal-assisted learning is valuable because it promotes emotional and social well-being by reducing stress, enhancing social skills, and increasing focus and engagement. It provides a non-judgmental, calming presence that encourages communication, promotes emotional regulation, builds empathy, and boosts confidence. Come experience the safe space animal assisted learning creates!

**Prepare to be part of something incredible that will change lives! Heal yourself by healing animals**
